## **Linda Butts named treasurer of international organization**

Linda Butts, Deputy Director of Driver and Vehicle Services at the North Dakota Department of Transportation (NDDOT), has been named Treasurer of the international arm of the American Association of Motor Vehicle Administrators (AAMVA). Ms. Butts was named Deputy Director at the NDDOT in 2007. She oversees the Motor Vehicle and Drivers License & Traffic Safety Divisions at the North Dakota Department of Transportation. Besides overseeing these two divisions, she works extensively on the Enhanced Drivers License and REAL ID legislation and Western Hemisphere Travel Initiative.

Founded in 1933, AAMVA actively promotes traffic safety and uniformity among North American jurisdictions. Representing chief motor vehicle administrators and law enforcement officials, the association develops uniform programs in driver licensing, vehicle titling/registration and motor carrier services, among others.
